Virtual Studio Manager – VSM

vsmGear Release B0042

Author: STB
Last updated: 2024-10-24
Release Date: 2024-10-24

This Release introduces enhancements, and/ or fixes for vsmGear.
Please consult the changelog for additional details.

Including

- Fixed reported issue where in some cases the new firmware file was not accepted and the update process failed.

Software-Download

The latest VSM software release versions can be downloaded from the Lawo Download Center @ <https://lawo.com/lawo-downloads>.

As always, **before updating, backup your system and refer to the changelogs/release notes** of each component to see if your system can be updated. Please also make sure to check and understand all changes, as well as any known issues that may be stated in the changelogs.

A backup of the VSM directory is recommended before upgrade.
